Ode to minds

Thanks very much for all reminds!

To my subscribers here on minds!

Never thought I would get many votes,
for my personal poetry notes.

But you make it possible for me,
to spread my words to the world fairly.

I hope for many more great days,
not just for now, for always!

A new consciousness will awake,
the old one was just a fake.

Thanks again for your great support,
now let's go on with my words export.

The poetic side-trip

I just want to say hello.

To my faithful fellow.

I wish you a beautiful day!

And success on your special way!

What could i write more?

What would you may asking for?

Hidden attendance

And again I stop by for a moment.
And again I leave a little comment.

To protect the meaning - for a time.
I have masked the purpose - in a rhyme.

Cryptic poems appear nowadays as Hit.
Because only a few can decipher it.

I do not provide a large voting quantity,
but i hope i can provide a great quality.

The whole life becomes a pleasure.
When you find the hidden treasure.

Virtual gift

A beautiful good morning to you!
This day will make everythig new!

I thought you love to be woken.
By sending you a token.

Today will become a great time!
I support it with this rhyme.

And now just open your eyes.
To perceive a big surprise.

Because then the hidden is revealed.
So every wound can be healed!

Colors should cover now the entire gray.
And on the canvas appears this new day.

It's me again!

I just wanted to say Hi!

But I am just flying by.

There would be so much to tell.

But above all I hope you're well.

I love to watch your channel grow.

Even my last visit was a while ago.

Just feel deep inside you this stream!

And reality will create your dream!

This is a particularly grateful poem version.

Which shall accompany you on your excursion.
